MIN KHANT

IT – Network Engineer

I've Been Always Passionate About Technology And Creating Things Using What I've Learnt.I Started Learning Networking In 2019. At First It Was Just A Hobby. Then, I Kept Digging Deeper And Deeper Through The Weeds Of Networking And I Knew That It's My Destiny To Make A Career In Networking. In My Weekend , I Study Front-End Web Development From Saya Ei Maung Book & Youtube. My Goal Is To Become A Network Security Specialist In Networking
I am always looking for ways to improve the user experience.
I'm Looking for new experiences and ready to start.
I am confident that I have the skills and experience to be a valuable member of your team.
